2 The papers do not show under what circs the Bangalore City Municipality recommended the levy of tolls on bicycles & tricycles, though this was not among the proposals made by the Joint Committee.

The only reason alleged for the proposed abolition of the levy at the toll-gate on Nandidurg road is that "it causes a good deal of annoyance & inconvenience to European ladies & gentlemen passing through that toll gate."

[illegible] ML limits

The President has not stated what the probable loss of municipal income will be by the proposed measure. It cannot however be much, as the total income under all items on which toll is levied is only Rs 3105 per year.

The Contract Cycles have been omitted in the schedule of the items on which alone tolls may be collected - [Vide Notifn. at page 825 Part II of the Gazette of 31 May 05 - This relates to the Nandi road Toll gate - Compare it with the Notice relating to other Toll gates on the page (824) immediately preceding]

2 I expect this exemption will not matter much as the cycles are practically such as are kept within Municipal limits & for which therefore the usual licenses are taken out on payment of fixed fees - The only exception to this will be the cycles kept in the Imperial Service Quarters outside Municipal limits - The number of these is being ascertained - They may be neglected either altogether or until steps can be taken to include the locality within municipal limits -

OFFICE OF THE MUNICIPAL COMMISSION,
City, Bangalore, 23 th / 25 June 1906

From

THE PRESIDENT,
Municipal Commission,
Bangalore City

To

The Secretary to the Government of H H the Maharaja of Mysore,
General and Revenue Departments,
Bangalore

SIR,

I have the honor to submit herewith, for sanction of Government, copies of letter No 561 dated the 2nd May last from the President of the Civil and Military Station Municipality, proposing the abolition of the levy of toll on bicycles and tricycles at the joint toll gate on the Nandi[illegible] Road and of the Board's resolution thereon dated the 21st Instant, approving the proposal.

2 In the schedule of tolls [illegible] the Joint-Committee in 1899, bicycles and tricycles do not appear, as stated by Mr Moore, in his letter quoted above, but at a meeting of the City Municipal Board held in September 1899, levy of toll on these vehicles also was added on and the sanction of Government accorded thereto in Proceedings No 4251/L F 194-99 dated the [illegible]th September 1899

3. Since the Civil and Military Station Municipality do not levy toll in any of their own toll gates on bicycles and tricycles and urge the desirability of abolishing

it also at the joint toll gate in question-especially as it is said to cause a deal of annoyance and inconvenience to European ladies and gentlemen passing through that toll gate, I request that very early orders may be kindly issued for the abolition of toll on these conveyances with effect from the 1st July - next at the said toll gate.

I have the honor to be

Letter No 561 dated 2-5-1906 from the President of the Municipal Commission, Civil & Military Station, to the President of the Municipal Commission, Bangalore City

Sir,

There appears to be some misapprehension as to the liability of bicycles and tricycles to the payment of toll

At the meeting of the "Joint Committee" held on the 24th August 1899, these machines were expressly omitted from Schedule II, though they were included in Schedule I of Animals and Vehicles subject to a tax

By a resolution of the City Municipality passed on 1[illegible]-9-1899, it was resolved that a toll at the rate of one [illegible] be levied on every bicycle or tricycle brought into the City

But this ruling, I think you will agree with me, is not applicable to the joint toll gate on Nandidrug road, being contrary to the rules laid down by the "Joint Committee"

I have etc.,
